\$5,000 RETURNS ON 85 TONS OF ORE

Holland and Driscoll, leasers on the Combination claim, owned by the Round Mountain Mining company, at the northern camp, have just shipped 295 ounces of gold to the Carson mint, valued at \$4,835, the return on slightly over eighty-three tons of ore. The general average per ton was \$47. The ore ran considerably higher than expected by the leasers. The ore was treated at the mill of the Shoshone Milling company, which has the reputation of making the highest per

cent of saving of any mill in the state.

SKIPS OUT WITH ANOTHER MAN'S WIFE

Last night Martin O'Malley, aged 19, and Mrs. George Cook, eloped from Bodie and were located in Hawthorne. While a growing friendliness was noticed of late between them, no one supposed the pair had reached the stage of running away. Last evening George Moyle went to the livery stable and engaged a rig to go to Hawthorne and about 9 o'clock the party left, Mrs. Cook being accompanied by her five year old daughter. Young O'Malley was the sole support of a mother and sister and has been working in the Standard mine. George Cook, the husband of the woman in the case, has also been working for the com-

pany and is quite well known in Bodie.

George Moyle also accompanied O'Malley and Mrs. Cook and it is understood that their destination is Reno.—Bodie Miner.

PERSONAL

Fred Ehlers leaves today on a prospecting trip to George's Canyon.

Dave Holland is in town from his ranch over in the Bishop country. He will remain here several days.

J. P. Thorn, superintendent of the Sunnyside mine at Round Mountain, is in town and registered at the Mizpah.

Mrs. Jennie MacNamara, who has been soliciting funds for the Crittenton home at Reno in Tonopah, left here yesterday for Goldfield.

Henry Wildgrube is back from a trip to George's Canyon, where he has been doing some assessment work on some mining properties.

Jake Goodfriend is over in the Bishop country, whither he went to book the Hogan-Hurley vaudeville company for a week. Bill Walker is in charge of the Butler in the meantime.

A. R. Needles and wife left on yesterday morning's train en route for Alaska, being bound for the new gold fields at Iditarod. They will make their home there for some time, or, as Mr. Needles says, until they make their big strike.

Joseph T. Lott, manager of the Goldfield freight department of the Tonopah and Tidewater railroad, and Mrs. Joseph Donahue, widow of the late Joe Donahue, were married by Rev. Father Dermody at 6:30 o'clock this morning. The newly wedded couple left an hour later for the north en route for Denver, where they will spend their honeymoon. Mr. Lott will then proceed farther east on a business mission, his wife remaining the while with relatives in the Colorado metropolis. The couple will then return to Goldfield about the last of June.—Goldfield News.

CHANGE OF OWNERS IN TURNER HOUSE

The Turner house has changed hands. Yesterday a deal was closed by which George B. Swasey transferred all his interest in the place to W. A. Ross and wife, who have recently come to Tonopah from Montana.

The new owners are thorough hotel people, and in addition to conducting a rooming establishment they will serve meals as well. They intend to make it one of the popular hotels of this city.

WONDERFUL CHILD ACTRESS AT BUTLER

Monday night there will appear at the Butler, booked for a week's engagement, one of the most charming little child actresses on the stage today. She is little Ruth Miller—as pretty as a picture, and as versatile and accomplished as she is pretty. She has a sweet

voice, sings well, is equally proficient as a dancer, and is a wonder at the piano. Her costumes are charming. She will make a hit with Tonopah audiences, as she has made one wherever she has appeared.
